\$9 Million in Grants Awarded to 23 North Carolina Non-Profits by SECU Foundation

RALEIGH, N.C. – The State Employees’ Credit Union (SECU) Foundation Board of Directors has approved more than \$9 million in funding for 23 non-profit organizations throughout North Carolina in its most recent grantmaking session. These commitments will support local and community development initiatives in areas of housing, education, healthcare, and human services and reflect the Foundation’s ongoing dedication to identifying and addressing statewide needs, bringing its total giving since 2004 to more than \$340 million.

“These 23 non-profits work tirelessly to uplift the people of our state every day,” said SECU Foundation Board Chair Mona Moon. “The Foundation is honored to support their efforts and help strengthen the vital programs and projects that expand much-needed opportunities for our neighbors. We are grateful to the SECU members whose generosity makes it possible for the Foundation to put dollars back into our communities through their monthly contributions.”

Approved grants will range from \$40,000 to \$3 million, representing all eight economic regions across North Carolina and serving all 100 counties. Funding will help these non-profits advance their missions, develop capital projects such as clinics, education centers, and transitional and long-term housing facilities, and expand programs that strengthen organizational capacity and community impact.

Organizations approved for funding include:

- \$3 million challenge grant to [North Carolina Museum of History Foundation](#) to support interior renovations and the expansion of the Education Wing.
- \$1.5 million challenge grant to [Boys and Girls Clubs of the Tar River Region](#) to provide support for the construction of a life and workforce readiness facility for at-risk youth.
- \$1.5 million challenge grant to [Horizons Residential Care Center](#) to support the expansion of their campus for individuals with intellectual and developmental disabilities needing residential treatment.
- \$1 million challenge grant to [Healing Transitions](#) to support the development of a transitional housing complex for graduates of their women’s recovery program.
- \$750,000 challenge grant to [Mountain Community Health Partnership](#) to support the construction of an integrated healthcare clinic serving rural areas in western North Carolina.
- \$350,000 grant to [Freedom Communities](#) to support the expansion of their child and family resource campus.
- \$300,000 grant to [Rural Opportunity Institute](#) to support increased access to mental health services in underserved rural schools throughout the state.
- \$250,000 grant to [PBS North Carolina](#) to support the production and launch of Homegrown History Initiative, a project showcasing historical stories across North Carolina.

- \$72,000 grant to the [Governor's Awards for Excellence](#) to renew support for the state employees recognition program.

Fourteen non-profits were added to the Mission Development Grant (MDG) program and were approved to receive a \$40,000 grant to help build capacity through organizational assessments, goal setting, and creating pathways for expansion or sustainability. The organizations approved for an MDG include:

- [Mount Jubilee Ministries](#)
